MANAGEMENT DISCUSSION AND ANALYSIS

SEGMENT WISE SALES CONTRIBUTION

BACKGROUND & INDUSTRY OUTLOOK

Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades. The cost-of-living crisis, tightening financial conditions in most regions, Russia's invasion of Ukraine and its effects, climate change and the lingering COVID-19 pandemic all weigh heavily on the outlook. IMF forecasts global growth to slow from 3.4 percent in 2022 to 2.8 percent in 2023 before settling at 3.0 percent in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7 percent in 2022 to 1.3 percent in 2023*. However, with the recent relaxations of COVID-19 restrictions in China and the unleashing of the pent-up demand, there is an expectation of faster-than-expected recovery in the global economy in a gradual manner. India's GDP is projected to grow around 6 percent this year**, though the ongoing Russia & Ukraine war, financial bank crisis in US, and the elevating fuel & food prices may also cast some clouds in 2023 for India. India's GDP growth might fall short of 6 percent as higher interest rates and global economic slowdown weigh on investment and exports.

*IMF April 2023. <https://www.imf.org/en/Publications/WEO/Issues/2023/04/11/world-economic-outlook-april-2023>

** RBI 6.5%; IMF 5.9%; WB 6.3%; ADB 6.7% and OECD 5.9%

Recovery in a few sectors, especially agriculture, manufacturing, construction, and contact-intensive services sector, weighed on the overall growth. Increase in the sales of electric vehicles together with demand for passenger vehicles is expected to further boost the automotive industry in the country. While the growth outlook is optimistic, the

resilience of the Indian economy would be tested against the global crisis during the course of 2023-24.

BUSINESS & FINANCIAL REVIEW

With the current business portfolio, the Company is largely operating in Automotive, Consumer & Industrial and Thermoplastic Additives.

During the year under review, the Company reported gross revenue from operations of ₹ 7,221.58 Lacs as against ₹ 6,248.39 Lacs during the FY 2022-23. The Company reported Profit before Tax of ₹ 1,316.50 Lacs and Profit after Tax of ₹978.86 Lacs as against ₹ 862.78 Lacs and ₹ 633.93 Lacs respectively for the previous financial year. Revenue during the current financial year increased by 15.57% as against last year and is mainly on account of increase in trading segment portfolio sales and increase in selling price of certain products.

The Company's gross margins improved by 1% from 28.87% to 30.19% in the current year which is mainly on account of stable raw material prices and increase in traded products margin. Further the Company has earned interest income on fixed deposits of ₹ 353.75 Lacs owing to changes in monetary policies in India and due to better interest rate negotiated in the current year.

KEY FINANCIAL RATIOS AS ON 31ST MARCH 2023

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key sector-specific financial ratios.

The Company has identified the following ratios as key financial ratios:

Ratios	2022-23	2021-22
Inventory turnover	4.80	3.61
Debtors turnover	6.46	5.63
Assets turnover	0.54	0.53
Current ratio	13.75	11.09
Gross profit (%)	30.19%	28.87%
Net profit margin (%)	13.55%	10.15%

The reason for variation in key ratios are as under:

Inventory turnover ratio: Increase in inventory turnover ratio is on account of efficient utilization of inventory and managing the stock in hand efficiently as per the sales plan. Further due to COVID impact last year in 4th quarter, inventory has accumulated to certain extent due to lesser liquidation.

Net profit margin: Increase in on account of two reasons, firstly stable raw material prices and increase in selling price of certain category of products which enabled the Company to earn higher margin. Secondly due to change in monetary policies and better interest rate negotiation, Company could earn higher interest income for the deposits placed during the year.

OPPORTUNITIES AND THREATS

1. Threat of strong downward pressure on raw materials, higher than historical gap between various EMEA and AP raw prices
 - a. This can be a threat since many Multibase raw materials are procured in EMEA
2. Risk of emboldened local competition benefiting from lower raw materials costs more than Multibase
 - a. May lead to challenges to our business market, share loss, loss of growth platforms
3. Opportunity to transition to more AP raws (qualifications/scouting ongoing) to improve variable cost and local supply access
 - a. Risk as well since the process is not yet fully completed
 - b. More diversified supply chain improves supply access and raises growth potential
4. Opportunity to localize production of certain finished products to Daman to reduce costs and improve competitiveness
5. Opportunity to grow with India market, capture growth platforms, expand silicone based products, expand sales outside of India from Daman, qualify new products at the site

RISKS AND CONCERNS

The biggest uncertainty at this point in time is the ability to pass on the inflationary, forex impacts in price to the customers, which seem challenging as we operate in a very competitive environment. Logistics for imported grades and

raw materials has been a significant challenge with uncertain shipping times, shortage of vessels and increased costs.

We have developed plans to counter the negative impacts, both mid-term and long-term. We are committed to make these work.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Industrial relations with workmen during the year were cordial. The Directors place on record their appreciation for the sincere and efficient services rendered by the executives, staff and workmen of the Company and are confident that they will continue to contribute to the Company's prosperity and growth.

INTERNAL CONTROL SYSTEMS

The Company has put in place an adequate system of internal control measures in all risk areas, implemented by the management towards achieving efficiency in operations, optimum utilization of resources and effective monitoring thereof and compliance with applicable laws.

The directors had laid down internal financial controls to be followed by the company and such internal financial controls are adequate and were operating effectively.

These measures are in the form of procedures/ processes set by the management covering all critical and important areas. These controls are periodically updated and are subject to review by internal auditors. Internal audit function has been outsourced to independent firm of Chartered Accountants who submit quarterly reports to the Board. The Audit Committee reviews the report of the Internal Auditors and recommends steps to be taken to improve internal controls if any.

CAUTIONARY STATEMENT

This section of the Annual Report has been included in adherence to the spirit enunciated in the Code of Corporate Governance approved by the Securities and Exchange Board of India. v) Prohibition of Physical Transfer of Shares and Issuance of Physical Share Certificates:

Please note that as per the SEBI circular, physical transfer of securities has been prohibited w.e.f. April 1, 2019. Further, SEBI vide its circular dated January 24, 2022, has mandated for the Company to issue securities in demat mode while processing any investor service requests viz. issue of duplicate share certificates, exchange/sub-division/ splitting/consolidation of securities, transmission/ transposition of securities and vide its circulated dated January 25, 2022, that listed entities/ RTAs shall now issue a Letter of Confirmation in lieu of the share certificate while processing any of the aforesaid investor service request.

The Company has regularly obtained certificate(s) from the practising company secretary, regarding compliance with share transfer formalities, including other matters pursuant to Listing Regulations, and these have been submitted to the stock exchanges.

The Company's Shares are traded in Stock Exchange in dematerialized form and are available for trading in both the Depositories i.e., National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL)

w) Dematerialization of shares Benefits of Dematerialization:

Shares held in dematerialized form have several advantages like immediate transfer of shares, faster settlement cycle, faster disbursement of non-cash corporate benefits like rights, etc., lower brokerage, ease in portfolio monitoring, etc. Besides risks associated with physical certificates such as fake certificates, bad deliveries, loss of certificates in transit, get eliminated.

As per Regulation 40 of the Listing Regulations, as amended, securities of listed entities can be transferred only in dematerialised form, with effect from 1st April 2019. Pursuant to SEBI circular dated 25th January 2022, securities of the Company shall be issued in dematerialized form only while processing service requests in relation to issue of duplicate securities certificate, renewal / exchange of securities certificate, endorsement; sub-division/ splitting of securities certificate, consolidation of securities certificates/folios, transmission and transposition.

Since there are several benefits arising from dematerialization, we sincerely urge all the shareholders who are still holding their shares in physical form to dematerialize the shares at the earliest.

Direct credit of dividend:

Payment of dividend through electronic mode has following advantages:

- Shareholder need not make frequent visits to his bank for depositing the physical warrants;
- Prompt credit to the bank account of the shareholder through electronic clearing; This would also reduce the amount of unclaimed dividend being transferred to IEPF.
- Fraudulent encashment of warrant is avoided;
- Delay/loss in postal transit is avoided.

As per circular issued by SEBI dated April 20, 2018, the Company through the Registrar and Share Transfer Agent had circulated regular reminder letters with postage prepaid envelopes in July 2018, September 2018, October 2018 and October 2019 to those physical shareholders whose PAN and/ or Bank account details were not available requesting them to register their PAN and/or bank account details.

Members are requested to register their PAN and Bank Account Details (Core Banking Solutions enabled account number, 9 digit MICR code and 11 digit IFS Code), in respect of shares held in dematerialized form with their respective Depository Participants and in respect of shares held in physical form with Link Intime Private Limited.

Green Initiatives:

In order to capture email addresses of a larger shareholder base and send all intimations electronically, especially during the lockdown period, the Company had appointed NSDL and CDSL to send SMS to those shareholders whose email addresses were not registered with the Company.

We once again request you to join us in this initiative and register your e-mail Id with Link Intime Private Limited in case you are holding shares in physical form. In case you are holding shares in dematerialized form, please register your e-mail Id with your depository participant directly.

Norms for furnishing of PAN, KYC, Bank details and Nomination

Opinion

1. We have audited the accompanying Financial Statements of Multibase India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<p>Inventory Provision –</p> <p>As at March 31, 2023, the Company held inventories of Rs. 849.19 lakhs (net of provision of Rs. 37.09 lakhs). Other Information

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board report, but does not include the financial statements and our auditor's report thereon. The Board report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of management and those charged with governance for the financial statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
- Report on other legal and regulatory requirements**
13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
 14. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that the backup of the books of account and other books and papers maintained in electronic mode has not been maintained on servers physically located in India on a daily basis.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the maintenance of accounts and other matters connected therewith, we draw reference to our comment in paragraph 14(b) above.
 - (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 38 to the financial statements;
 - ii. The Company was not required to recognise a provision as at March 31, 2023 under the applicable law or accounting standards, as it does not have any material foreseeable losses on long-term contract. The Company did not have any derivative contracts as at March 31, 2023.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2023.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries")

- or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 42 to the financial statements);
- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 42 to the financial statements); and
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail, edit log and related matters in the accounting software used by the Company, is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.
15. The Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Multibase India Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management

override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based

on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

- i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
 - (B) According to the information and explanations given to us and the records of the Company examined by us, the Company does not have any Intangible assets and accordingly, reporting under this Clause is not applicable.
- b) The Property, Plant and Equipment of the Company have been physically verified by the Management during the year and no material discrepancies have been noticed on such verification. In our opinion, the frequency of verification is reasonable.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 3 to the financial statements, are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise. Further, there are no right of use assets or intangible assets held by the Company.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
 - (b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate from banks and financial institutions and accordingly, the question of our commenting on whether the quarterly returns or statements are in agreement with the unaudited books of account of the Company does not arise.
- iii. The Company has not made any investments, granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments or provided any guarantees or security to the parties covered under Sections 185 and 186. Therefore, the reporting under clause 3(iv) of the Order are not applicable to the Company.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits referred in Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, duty of customs, cess and other material statutory dues, as applicable, with the appropriate authorities.
 - (b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues of goods and services tax, provident fund, employees' state insurance, duty of customs, cess and other material statutory dues, as applicable which have not been deposited on account of any dispute. The particulars of other statutory dues referred to in sub-clause (a) as at March 31, 2023 which have not been deposited on account of a dispute, are as follows

Name of the statute	Nature of dues	Amount (Rs. In lakhs)	Period to which the amount relates	Forum where the dispute is pending
The Income Tax Act, 1961	Income tax	1.82	2015-16	Assessing Officer, Vapi
Finance Act, 1994	Service tax	1.62	2010-11	Commissioner Appeals, North Daman Division

- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- ix. (a) As the Company did not have any loans or other borrowings from any lender during the year, the reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or any government authority.
- (c) According to the records of the Company examined by us and the information and explanations given to us, the Company has not obtained any term loans.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, the Company has not raised funds on short term basis.
- (e) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company did not have any subsidiaries, joint ventures or associate companies during the year.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard 24 "Related Party Disclosures" specified under Section 133 of the Act.
- xiv. (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditor for the period under audit have been considered by us.

- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with them. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under clause 3(xv) of the Order is not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on the information and explanations provided by the management of the Company, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, the reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause (xviii) is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (Also refer Note 42 to the financial statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xx. As at balance sheet date, the Company does not have any amount remaining unspent under Section 135(5) of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable.
- xxi. The reporting under clause 3(xxi) of the Order is not applicable to the Company as it does not have any subsidiaries, joint ventures or associate companies and the Company does not prepare Consolidated Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

1 Corporate Information

Multibase India Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company's equity shares are listed on the Bombay Stock Exchange ('BSE') in India. The registered office of the Company is located at 74/5 & 6 Daman Industrial Estate, Kadaiya village, Nani Daman 396210, Daman and Diu.

Multibase India Limited is engaged in manufacturing, trading and selling of polypropylene compound, thermoplastic elastomer, silicon master batch and thermoplastic master batch.

2 Basis of preparation

2.1 Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements were authorised for issue by the Company's Board of Directors on May 23, 2023.

Details of the Company's significant accounting policies are included in Note 2.6.

2.2 Basis of measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

2.3 Use of estimates and judgments

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Note 31 – Segment reporting.

Assumptions and estimation uncertainties

- Note 3 and 27 – estimate of useful life used for the purposes of depreciation of property plant and equipment.
- Note 7 – provision on inventories.
- Note 14, 18, 32 – measurement of defined benefit obligations: key actuarial assumptions;

2.4 New and amended standards adopted by the company

The Ministry of Corporate Affairs had vide notification dated March 23, 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and are effective April 1, 2022. These amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

2.5 Standards issued but not effective

The Ministry of Corporate Affairs has vide notification dated March 31, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective April 1, 2023.

The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications. These amendments are not expected to have a material impact on the company in the current or future reporting periods and on foreseeable future transactions. These amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

2.6 Significant accounting policies

(a) Foreign currency translation

(i) Functional and presentation currency

These financial statements are presented in Indian Rupees (INR) amount in lakhs, unless otherwise stated, which is also the Company's functional currency.

(ii) Transactions and balances

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in statement of profit or loss.

(b) Measurement of fair values

Some of the Company's accounting policies and disclosures require the measurement of fair values.

The Company has a control framework with respect to the measurement of fair values which includes India finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the chief financial officer.

The India finance team annually reviews and evaluates significant unobservable inputs and valuation adjustments and if third party information, such as pricing services, is used to measure fair values, then the financial reporting team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:

- Note 34 – financial instruments.

(c) Financial instruments

Recognition and initial measurement

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ('FVTPL'), transaction costs that are directly attributable to its acquisition or issue.

Financial assets - classification and subsequent measurement

On initial recognition, a financial asset is classified and measured at

- amortised cost;
- FVOCI – debt investment;
- FVOCI – equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis. At present there are no such investments.

All financial assets not classified and measured at amortised cost or FVOCI are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

Subsequent measurement and gains and losses for financial assets held by the Company

Financial assets at FVTPL These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(d) Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Subsequent measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

Depreciation on property, plant and equipment (other than for those class of assets specifically mentioned below) is calculated on a straight-line basis as per the useful life prescribed and in the manner laid down under Schedule II to the Companies Act, 2013. The class of assets where the company based on its internal assessment of usage pattern of assets believes that useful life is different from those prescribed in Schedule II of the Companies Act, 2013 are as under:

Asset Category	Useful life
Computer systems	3 years

The management believes that these estimated useful lives reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as other non-current assets.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The consequential gain or loss is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of profit and loss.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the moving weighted average basis and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- **Raw materials:** cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.
- **Finished goods and work in progress:** cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on moving weighted average basis. Finished goods includes appropriate proportion of overheads and wherever applicable goods and service tax.
- **Traded goods:** cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

The comparison of cost and net realisable value is made on an item-by-item basis.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

(f) Impairment

Impairment of financial assets

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost. At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being significantly past due;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise; or
- it is probable that the borrower will enter bankruptcy or other financial reorganization.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Under the simplified approach, the Company is not required to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL's together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Impairment of non-financial assets

The Company's non-financial assets, other than inventories and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the assets of the CGU (or group of CGUs) on a pro rata basis.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

Assets (other than goodwill) for which impairment loss has been recognised in prior periods, are reviewed at each reporting date to assess whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(g) Employee benefits

Short term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

Defined benefit plans - Gratuity

The Company has defined benefit plan for post employment benefits in the form of Gratuity in accordance with the Payment of Gratuity Act, 1972. Liability for defined benefit plan is provided on the basis of valuation, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

Other long-term employee benefits

The employees of the Company are entitled to other long-term benefit in the form of compensated absences as per the policy of the Company. Liability for other long-term employee benefit is provided on the basis of valuation, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

Termination benefits

Termination benefits are expensed at the earlier of when the Company can no longer withdraw the offer of those benefits and when the Company recognises costs for a restructuring.

(h) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non - occurrence of one or more uncertain future events not wholly within the control of the Company.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset.

(i) Revenue

Revenue is recognised upon transfer of control of promised goods to customers for an amount that reflects the consideration which the Company expects to receive in exchange for those goods.

Sale of goods

Revenue from the sale of goods are recognized when control of the goods has been transferred to the customer and when there are no longer any unfulfilled obligations to the customer. Depending on the contractual terms with the customers, this can be either at the time of dispatch, delivery or upon formal acceptance by the customer. This is considered the appropriate point where the performance obligations in our contracts are satisfied as the Company no longer have control over the inventory. The Company does not provide any warranties or maintenance contracts to its customers.

Other income

Interest

Interest revenue is calculated by using the effective interest method for financial assets measured at amortised cost. Interest income is recognised on an accrual basis.

(j) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee (Assets taken on lease)

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of property, plant and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term or another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

Company as a lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income.

(k) Income taxes

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or profit for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

(l) Borrowing cost

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(m) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company. For the disclosure on reportable segments see Note 31.

(n) Cash and cash equivalents

Cash and Cash equivalents for the purpose of Statement of Cash flows comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

(o) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares by weighted average number of equity shares plus dilutive potential equity shares.

(p) Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

32 Employee benefits

(A) Defined contribution plans:

The Company recognised INR 20.13 lakhs for the year ended March 31, 2023 (March 31, 2022: INR 18.09 lakhs) towards provident fund contribution in the Statement of Profit and Loss.

(B) Defined Benefit Plan:

The most recent actuarial valuation of the defined benefit obligation in relation to the gratuity scheme was carried out at March 31, 2023. The present value of the defined benefit obligation was measured using the Projected Unit Credit Method. The Company's defined benefit plan is unfunded.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation at the balance sheet date:

	March 31, 2023	March 31, 2022
Defined benefit obligation	97.67	81.78

i. Movement in net defined benefit liability

The following table shows a reconciliation from the opening balances to the closing balances for net defined benefit and its components:

	Defined benefit obligation	
	March 31, 2023	March 31, 2022

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2023

(Currency: Amounts INR in Lakhs, unless otherwise stated)

ii. Actuarial assumptions

The following were the principal actuarial assumptions at the reporting date (expressed as weighted averages).

	March 31, 2023	March 31, 2022
Discount rate	7.43%	7.25%
Future salary growth	7.00%	7.00%
Rate of employee turnover	30 & Below - 5% 31 to 44 - 3% 45 & Above - 2%	30 & Below - 5% 31 to 44 - 3% 45 & Above - 2%
Mortality rate	Indian Assured Lives Mortality (2012-14)	Indian Assured Lives Mortality (2012-14)

Assumptions regarding future mortality have been based on published statistics and mortality tables.

iii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below;

	March 31, 2023		March 31, 2022	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	(4.46)	4.77	(3.96)	4.23
Future salary growth (0.5% movement)	4.76	(4.50)	4.23	(3.98)

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The average duration of the defined benefit plan obligation at the end of the reporting period is 12.62 years (March 31, 2022: 13.25 years).

iv. Expected future cash flows

The expected future cash flows in respect of gratuity were as follows:

Expected future benefit payments	2022-23	2021-22
0 to 1 year	2.62	2.11
1 to 2 year	2.56	2.13
2 to 3 year	2.53	2.09
3 to 4 year	2.51	2.07
4 to 5 year	2.48	2.04
5 to 6 year	6.11	2.01
6 years onwards	78.86	69.33

(C) Other long-term employee benefits:

Compensated absences are payable to employees at the rate of daily salary for each day of accumulated leave on death or on resignation or upon retirement. The total liability for compensated absences as at the year end is INR 57.34 lakhs (March 31, 2022: INR 23.49 lakhs), as shown under non-current provisions INR 55.76 lakhs (March 31, 2022: INR 22.89 lakhs) and current provisions INR 1.58 lakhs (March 31, 2022: INR 0.60 lakhs). The amount charged to the Statement of Profit and Loss is INR 33.85 lakhs (March 31, 2022 : INR 3.21 lakhs).

B. Calculation of fair values

- The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended March 31, 2022.
- Cash and cash equivalents, other bank balances, trade receivables, other financial assets, trade payables, and other financial liabilities have fair values that approximate to their carrying amounts due to their short-term nature.

35 Financial risk management

The Company has exposure to the following risks arising from the financial instruments:

a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The carrying amount of financial assets represent the maximum credit exposure.

Impairment of financial assets

Management evaluates credit risk of trade receivables and other financial assets based on past due information. Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk and the current provision for the bad debts represents the impacted credit loss it foresees in its receivables. The credit risk rating grade of unimpaired amount is considered as fully collectible.

Based on the assessment of credit risk rating grades of banks where balances are held, the management considers the balances with banks are unimpaired.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments.

CSR Project for FY 2022-23

Prayas School (For Autistic children) & Unnati (Woman Empowerment Project)

PRAYAAS SCHOOL (Autistic children)

After the pandemic and the second wave in 2021-22, Autistic children were not an exception, as they had nearly forgotten how to celebrate and had struggled to build their confidence for communication and social gatherings. During the FY 2022-23, our team member tried to boost their confidence by participating in several festivals as part of CSR project.

UNNATI PROJECT (Women Empowerment)

It provides over 150 underprivileged women and girls in Daman (U.T), with training of beautician and tailoring courses and social skills to encourage them to become more self-reliant.
